

DEPARTMENT OF PAEDIATRICS ROUNDS

Please join us as we welcome our speaker:

Dr. Janet Nuth, Physician Advisor, Practice Improvement

The topic:

“Diagnostic Issues in Pediatrics: Lessons from the CMPA”

Workshop Objectives:

- Identify common issues seen in CMPA cases involving misdiagnosis or diagnostic delays in pediatrics
- Identify 3 documentation pitfalls to avoid
- Develop 2 strategies that you can implement to improve your practice

When: Wednesday, April 24th, 2019

Where: RVH Community Engagement Room

Time: 0800-0900 hours

~ Light breakfast provided ~
